CITY OF KENT
POSITION DESCRIPTION

Position Inventory Number: PW515

Classification Specification: PUBLIC WORKS ACCOUNTING MANAGER

Salary Range: NR42 – Management Benefits Level B

Position Description: Public Works Accounting Manager

Incumbent: 

Location: Public Works Department - Administration

GENERAL PURPOSE:

Under the direction of the Public Works Director, plan, organize, coordinate, and manage the Public Works Department accounting and reporting systems in compliance with GAAP, GASB, BARS, Kent's labor agreements, and the financial policies of the City; train, supervise, assign, and review the work of assigned personnel; and assure efficient and effective functioning of the Accounting Services Section.

Work is characterized by management, administrative, and supervisory functions involved in managing the day-to-day operations of the Accounting Services Section. The incumbent directly supervises employees in the Accounting Services Section; and carries out supervisory responsibilities in accordance with the organization's policies and procedures as well as applicable laws. The incumbent's responsibilities include, but are not limited to, interviewing, hiring, and training employees; planning, assigning, and directing work; appraising performance; rewarding and disciplining employees; addressing complaints and resolving conflicts and grievances; and recommending termination as appropriate. The incumbent is also responsible for the maintenance and review of the Public works Department accounting processes and procedures to ensure efficiency and compliance with applicable federal, state, and local laws, regulations, policies, accounting procedures and the City’s labor agreements.

Work is performed under managerial direction. The Manager provides the employee with assignments in terms of broad practice, precedents, policies, and goals. Work may be reviewed for fulfillment of program objectives and conformance with departmental policy, practice, and/or objective.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

Manage the Accounting Section of the Public Works Department by planning, organizing, and directing the daily activities and workflow of assigned personnel to ensure accurate accounting and reporting of Public Works Financial transactions including, but not limited to, general ledger, payroll, accounts payable, accounts receivable, budgeting, grant funding, mitigation payments, and contracts; and provide leadership, motivation, mentoring, training, and direction to the assigned work group.
Directly supervise employees, which includes interviewing, training, and hiring employees; planning, assisting, directing, and evaluating work in progress and upon completion; appraising performance; recommending promotion and disciplinary actions; addressing complaints; resolving problems; approving/scheduling sick leave and vacation time; and recommending terminations as appropriate.

Ensure the Public Works financial and accounting policies, procedures, and practices are in compliance with federal, state, and local laws, codes, and regulations; maintain conformance with GAAP, BARS, and GASB standards; and establish and/or document new or revised accounting principles and procedures as appropriate.

Review and approve journal entries and financial data for posting to the general ledger.

Responsible for the accurate recording of all Public Works financial transactions including accounts payable, accounts receivable, payroll, utility billings, and petty cash; and assure that data is timely and appropriate for various ledgers, journals, and reports.

Make financial forecasts; analyze and recommend fiscal and budgetary policies and alternatives.

Establish and maintain internal controls on grants to ensure compliance with state and federal regulations.

Review financial statements of the different sections and help managers read and interpret their financial statements; coach them on how to handle financial matters.

Maintain current knowledge of new City or State legislation as well as accounting, budgeting, and management principles.

Direct the documentation of the staff's duties and cross training in case of job vacancy or absence.

Manage the preparation of the department’s capital and operating budgets.

Work with the Public Works Director to establish utility rates based on financial plans and capital improvements.

Review existing accounting systems for inefficiencies; streamline systems to maximize worker productivity.

Communicate with Finance and Information Technology Departments in order to assist in developing and implementing new accounting systems.

Supervise grant-billing preparation; work with funding agencies and auditors to ensure compliance while maximizing revenue.

Serve as the City and division representative at various meetings as required; participate on committees and deliver oral presentations as needed.

Become familiar with, follow, and actively support the mission, vision, values, and behavior statements of the City and department.
PERIPHERAL DUTIES:

Perform related duties as assigned.
