

Lines on the walls showing the height of a tennis net.
more fish lol
Working fountain at the skate park. Better drainage of field. Covered picnic areas. More benches for senior citizens :)
Turf multi use field installed
Cops
New playground equipment or bathroom make over
We'd just like to see it kept a little cleaner. We pick up litter as we walk around the track, and up the hill.
More parking. Clean bathrooms. Grass cut more often so it's not overgrown or covered in crazy large amounts of clippings. Also maybe a fence lining the busy road for safety.
Off leash area
More tables and BBQs, for walking loop features.
steps up the big hill
It would be cool if it had some kind of stand-out play structure or public art....or a combination of the two! something to really set it apart from other parks/playgrounds.
Free dispensers for needles/syringes. More police presence but since we live in Kent I realize that there will never be enough cops on the force to deal with the issues and drug crisis here. It is out of control and there is no getting control back once it is lost.
Used to enjoy walking around
I would like to see more fun things for kids to do. They do have the BIG TOY, and I see a lot of kids on that.
More toys for kids to play on
Baseball and soccer field
garbage picked up. Police monitoring at night. barriers so cars cant drive in the park area.
Water play area, 2nd rentable covered space
