The City of Kent Corrections Facility is committed to providing a safe and healthy environment for staff and inmates. The City of Kent Corrections Facility has zero tolerance for sexual misconduct of any kind and will impose discipline for such misconduct, up to and including dismissal for staff and serious infractions for inmates who victimize other inmates.

Incidents of sexual misconduct will also be referred to law enforcement when applicable. The City of Kent Corrections Facility policies regarding sexual misconduct apply to all inmates. They also apply to employees, contractors, and volunteers.

Some of the innovations the City of Kent Corrections Facility has undertaken to address sexual violence within its facility include:

- Reviewing all agency policies to ensure compliance with standards and related expectations.
- Continuing training to all Corrections Staff, who have contact with inmates, with specialized training for investigators, and health services professionals.
- Developing orientation tools for inmates to ensure they are housed and assigned to programming in accordance with their risk as a potential victim or perpetrator of PREA.
- Deploying communication strategies for staff, inmates and the community regarding reporting venues and inmate rights to be free from victimization.
- Partnering with the King County Sexual Assault Resource Center for the provision of support services to inmate sexual assault survivors.

The City of Kent Corrections Facility is committed to operating a safe and secure facility for inmates and staff. We believe that as the custodians for inmates, the provision of an environment free from sexual violence and harassment is a core mission. We have a duty to provide clear expectations to inmates, staff, contractors, and volunteers to maintain a violence free facility.

Lastly, and perhaps most important of all, we have a duty and obligation as public servants to meet our vision of “providing secure and humane housing of inmates within its control” by allowing opportunities for inmates to serve their sentences in an environment free from sexual violence and predation, supporting opportunities for successful community reentry while breaking the cycle of violence following release.
