

2019 NEWSLETTER/COMMUNICATION GRANT APPLICATION

CITY OF KENT NEIGHBORHOOD PROGRAM
making connections...transforming neighborhoods

The Neighborhood Grant Program offers funding for all officially recognized neighborhood councils by the City as part of the Neighborhood Program. The standard of support for cost of newsletters is \$1.50 per household contacted each year. For example, if your neighborhood has 100 residents and each household is contacted, you may apply for \$150 a year in grant funds. Neighborhood can apply once per year on an annual basis. *Grant dollars cannot be used to promote political issues or campaigns, but will be used to promote community within neighborhoods. "For example, a newsletter funded in whole or part by grant dollars may not print advertisements or articles for or against a contested ballot issue or any candidate in a contested election." Funds being used inappropriately must be reimbursed to the City of Kent Neighborhood Program immediately.*

NOTE: Once your application has been approved it is mandatory that the Neighborhood Program Coordinator receive a copy of all your printed and/or electronically distributed materials. Failure to do so will result in having to refund all dollars granted to your organization.
