

# **Covid-19 (coronavirus) Response: Additional Rules While Gardening**

**Do not enter the garden premises if you are not feeling well, are sick or have been exposed to anyone who is sick with any illness.** (*Please contact [LOsborn@KentWA.gov](mailto:LOsborn@KentWA.gov) immediately if this applies to you now or later in the season.*)

**Do not work together in groups. Stay within your own plot(s).**

**Do not enter the garden if there are already 10 or more people on site.**

**Always maintain at least 6 feet of distance between yourself and other people.**

**Always wear gloves when handling the shared garden tools, hoses and wheelbarrows.**

**Do not share bags, bottles and personal tools.**

**Thoroughly wash your hands with soap and water at the first opportunity after gardening (already a habit, and now more important than ever).**

*Thank you for your compliance!*
