About Kent's Recycling Collection Event

Each spring, summer and fall, the City of Kent hosts a recycling collection event that allows residents to dispose of recyclable items that are not normally accepted at the curb. Instead of going to the landfill as trash, all items collected at the event will be reused or recycled! Visit KentWA.gov/TalkingTrash for details.

**NO
COMMERCIAL

GARBAGE TIP!

Kent is the highest garbage producer in King County. You can help and save money by shrinking the size of your garbage cart.

Start placing food waste in your green organics cart, then call Republic Services to lower the size of your garbage when you have extra space!

Visit KentWA.gov/TalkingTrash for more details.
